kategoria: -55 kg
ilość zawodników: 36

The diagram illustrates the tournament structure for the -55 kg category. It shows the progression of 36 athletes through various rounds, with some athletes having byes. The bracket is organized into two main halves, each starting with a first-round match. The winners of these matches progress through quarterfinals, semifinals, and a final match. The diagram includes names of athletes and their respective clubs. A table at the bottom lists the final results, showing the rank, name, and club of the top performers.
